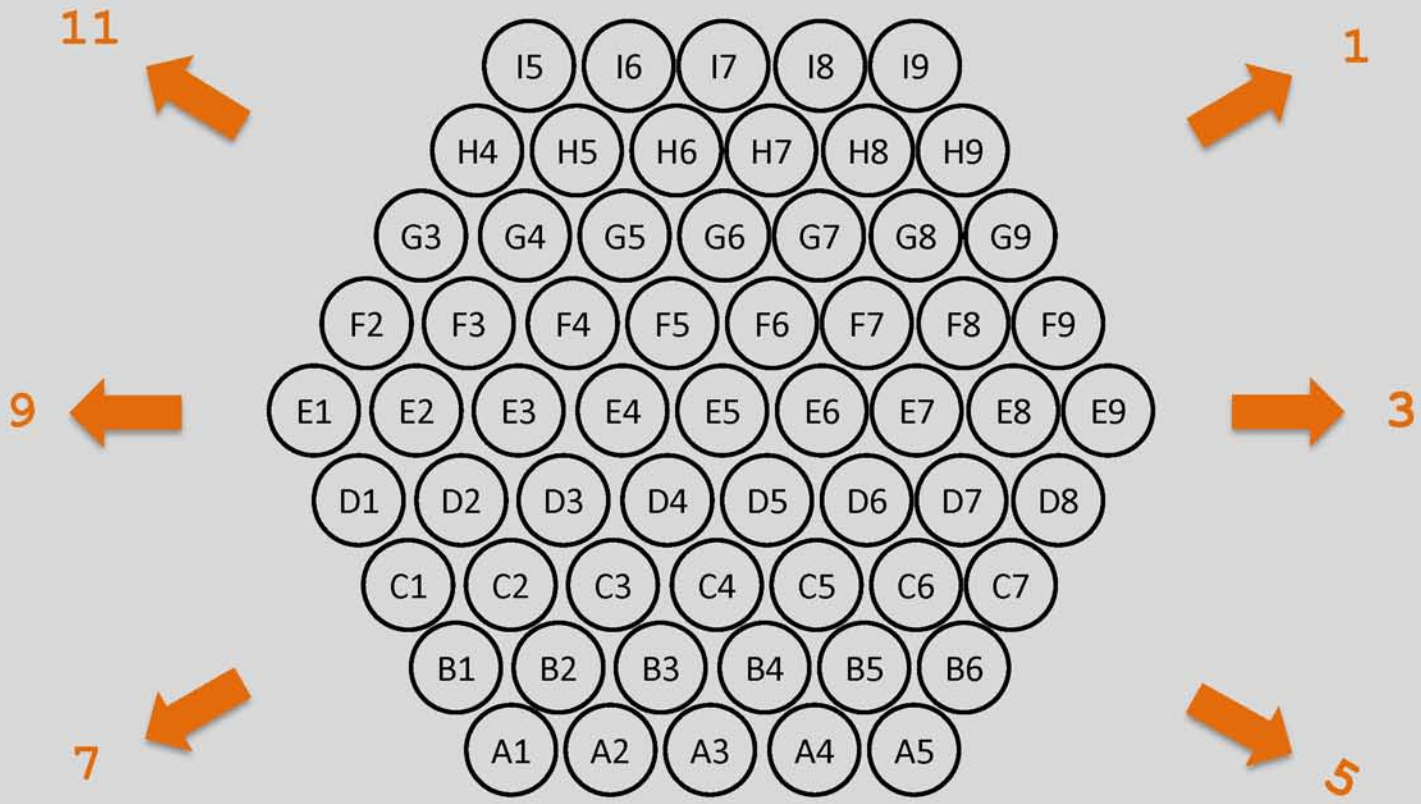
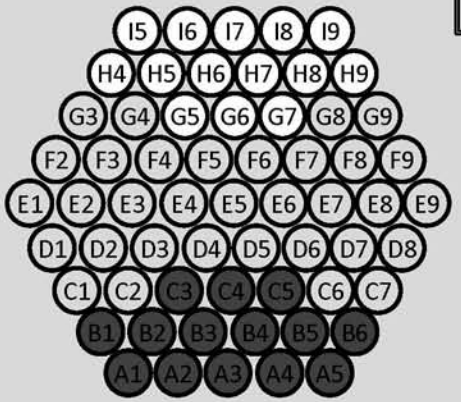
Abalone Move Notation



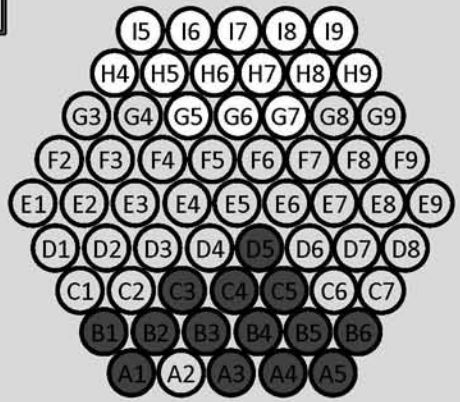
Game Board Coordinate System

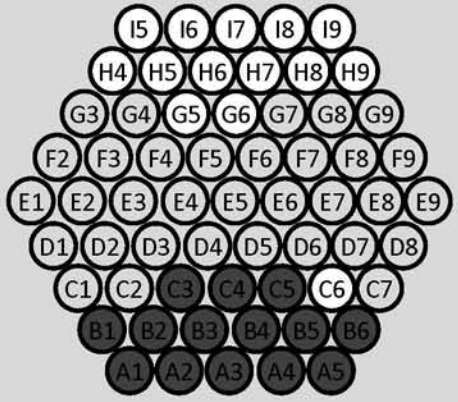
in-line
Move Notation:
$i - An - D$

i: in-line
An: coordinate of trailing marble
D: direction of move

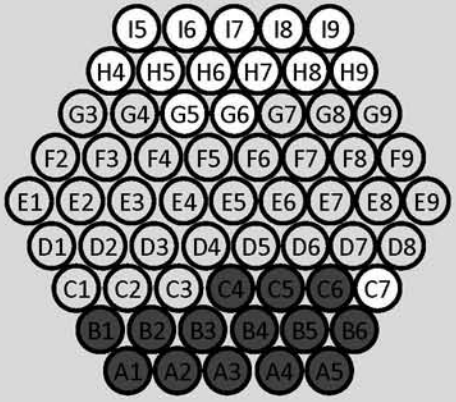


$i - A2 - 1$





$i - C3 - 3$

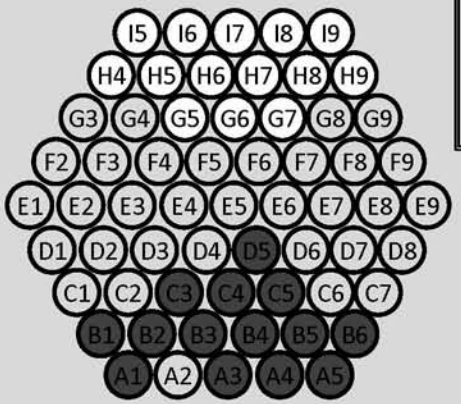


side-step
Move Notation:

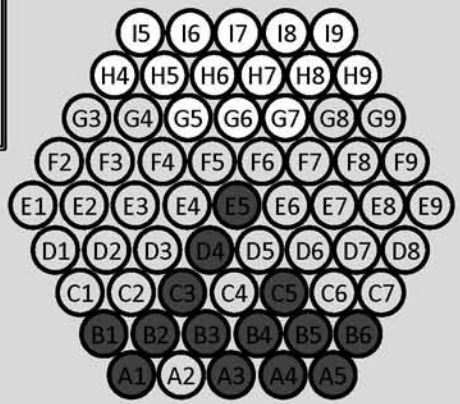
$$s - An - Bm - D$$

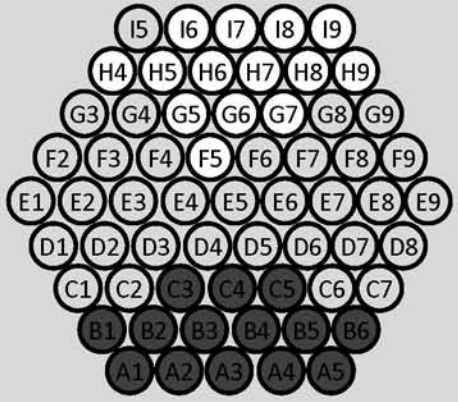
s: side-step
An, Bm: coordinates of extremities
D: direction of move
To avoid ambiguity,

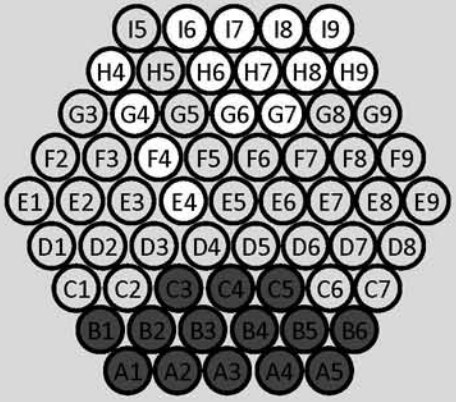
- $A \leq B$
- if $A = B$ then $n \leq m$
- single marble moves represented as in-line moves



$$s - C4 - D5 - 11$$







$$s - F5 - H5 - 7$$
